ARTICLE III: THE ISLAND AT TWO RIVERS HOMEOWNERS ASSOCIATION

Section 1. Membership: Every Owner of a Lot shall be a member of the Association. The foregoing is not intended to include persons or entities who hold an interest merely as security for the payment of an obligation. Membership shall be appurtenant to and may not be separated from ownership of any Lot which is subject to assessment. Such ownership shall be the sole qualification for membership and shall automatically commence upon a person becoming such Owner and shall automatically terminate and lapse when such ownership in said Lot shall terminate or be transferred. Absolute liability is not imposed on Owners/members for damage to Common Areas or Lots in the Eleventh Supplement Property.

Section 2. Voting Rights: The Association shall have two classes of voting membership:

Class A: Class A members shall be all Owners, with the exception of the Declarant, and shall be entitled to one vote for each Lot owned. When more than one person holds an interest in any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they determine, but in no event shall more than one vote be cast with respect to any Lot. Fractional votes shall not be allowed. The vote applicable to any said Lot being sold under contract of purchase shall be exercised by the contract seller, unless the contract expressly provides otherwise.

Class B: Class B member(s) shall be the Declarant and shall be entitled to ten (10) votes for each Lot owned. The Class B membership shall be converted to Class A membership on the happening of either of the following events, whichever occurs first:

B. On July 1, 2013.

Section 3. Assessments:

A. Creation of Lien and Personal Obligation of Assessments: Each Owner of any Lot, by acceptance of a deed therefore (whether or not it shall be so expressed in such deed), is deemed to covenant and agree to pay to the Association:

1. Regular annual or other regular periodic assessments or charges; and
2. Special assessments for capital improvements, such assessments to be fixed, established and collected from time to time as hereinafter provided.

The regular and special assessments, together with interest, costs of collection and reasonable attorney's fees shall be a charge on the Lot and shall be a continuing lien upon the Lot against which such assessment is made. Each such assessment, together with interest, costs of collection and reasonable attorney's fees, shall also be the personal obligation of the Owner of such Lot at the time when the assessment fell due. The obligation shall remain a lien on the Lot until paid or foreclosed, but shall not be a personal obligation of successors in title, unless expressly assumed.

B. Purpose of Assessments: The assessments levied by the Association shall be used for the purpose of promoting the recreation, health, safety and welfare of the residents of the Eleventh Supplement Property, for the operation, maintenance, repair and improvement of the Common Areas and facilities located thereon, including, but not limited to the private streets, for the creation of a reserve fund for future repair or replacement of the private streets and other Common Area improvements, for the reasonable expenses incurred in the operation of the affairs of the Association, for the expenses incurred by the Association in connection with any of its rights or obligations contained in this Eleventh Supplement or in the Bylaws of the Association, including but not limited to the provisions of Article VIII, below, and for any other purpose reasonably authorized by the directors of the Association.

C. Maximum Annual Assessment: Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be \$3000.00. Thereafter, the Board of Directors of the Association shall fix the annual assessment in such amount as may reasonably be required for the purposes set forth herein; and said assessments shall be payable to the Association in regular monthly or quarterly installments as may be determined by the Board of Directors.

- D. Initiation Assessment: Upon the initial conveyance of each lot, the purchaser thereof shall pay an initiation assessment in the amount of \$3,500.00.
- E. Special Assessments for Capital Improvements: In addition to the regular assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose. Any such special assessment shall be payable over such a period as the Association shall determine.
- F. Notice and Quorum for Any Action Authorized Under Section 3E: Written notice of any meeting called for the purpose of taking any action authorized under Section 3E, above, shall be sent to all members not less than thirty (30) days nor more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast fifty percent (50%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
- G. Uniform Rate of Assessment: Both annual and special assessments must be fixed at a uniform rate for non-exempt Lots.
- H. Date of Commencement of Annual Assessments; Due Dates: The annual assessments provided for herein shall commence as to a Lot sold on the first day of the month following the initial conveyance of the said Lot. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate of the Association as to the status of assessments on a Lot is binding upon the Association as of the date of its issuance.

- I. Effect of Nonpayment of Assessments; Remedies of Association: Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of eighteen percent (18%) per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of his Lot.
- J. Subordination of the Lien to Mortgages: The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any Lot shall not affect the assessment lien. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.
- K. Exempt Property: The following property, subject to this Eleventh Supplement, shall be exempt from the assessments created herein:
1. All property expressly dedicated to and accepted by a local public authority;
 2. The Common Area;
 3. All other properties owned by the Declarant or an Association; and
 4. All Lots owned by Declarant, until title is transferred to another, or until occupancy, whichever occurs first.

In furtherance thereof, the Association shall create and maintain a reserve fund for the purpose of the maintenance and repair of the private street and related drainage facilities. The covenants contained in this Article VIII may not be modified without the express consent of the City of Eagle. The cost incurred by the Association in performing such maintenance or repairs, together with interest thereon from the date of expenditure at the rate of two percent (2%) per month, shall be added to and become part of the assessment to which such Owner's Lot is subject.

Section 4.
